MAIN PROJECTS

PIXEL PERFECT INSPECTION REPORTS

📅 2025 📍 Porto

Pixel Perfect Inspection Reports leverages the power of Laravel to streamline the creation of multilingual pipe defect reports, integrating key web development principles while introducing essential libraries, frameworks, and tools to enhance efficiency and accuracy in report generation.

JAVA BANK

📅 2023 📍 Porto

Java Bank incorporates many of the core Java programming-language concepts taught previously and introduces some of the libraries, frameworks, and tools encountered in the Java ecosystem for building modern applications better and faster.

CODE BREAK ADVENTURES

📅 2023 📍 Porto

Created during Games Week, Code Break Adventures is a Space Invaders inspired game that incorporates numerous Java programming concepts.

SUMMARY

Hello there, I'm the code enthusiast you're looking for! When I'm not changing the world with my coding skills, I love to play piano, read some amazing books and immerse myself in some challenging games.

I'm seeking a programming position, leveraging my Code for All and CESAE experience and know-how in Health area to contribute to innovative projects and solve complex problems.
