PROFILE

Hello there, I'm the code enthusiast you're looking for! When I'm not changing the world with my coding skills, I love to play some piano/organ/accordion, read some amazing books and immerse myself in some challenging games.
I'm seeking a programming position, leveraging my Bootcamp experience and know-how in Health area to contribute to innovative projects and solve complex problems.

EDUCATION

01/23 - 04/23
FULLSTACK PROGRAMMING BOOTCAMP
<Academia de Código_>, Porto
A 14-Week Intensive && Immersive FullStack Programming Bootcamp

10/16 - 07/20
